DR. ROB DOUK

PRESS KIT.

DR. ROB DOUK, PSYD, MBA, BCBA-D, has come a long way since being smuggled out of the Cambodian death camp of his youth. Today he is a self-made, nine-figure serial socialpreneur and founder of “neuro-bio-theology”, the study and treatment of the mind-body-spirit. As an investor and coach, he helps other business leaders fearlessly run their enterprises, pay forward life’s blessings, and leave the world better than they found it.

Regarded as a thought leader in behavioral health and wellness, Dr. Douk is a clinician turned serial entrepreneur who has built a variety of successful enterprises – and in each, his focus has been on bettering society in measurable ways. He is the author of the #1 Best Seller, “The Fearless Socialpreneur” published by **FORBESBooks**.

Dr. Douk, his wife Ami, and their three children live in Honolulu, Hawaii.

CAREER

DR. ROB DOUK is the founder of **Douk & Co.**, a growth investment firm that focuses on social entrepreneurship. Douk & Co provides entrepreneurs and CEOs with the necessary tools to expand their companies while giving back to a world in need.

Dr. Douk is a licensed educational psychologist and board-certified behavior analyst with a master’s degree in counseling and a doctorate in psychology. He received specialization in lifestyle medicine from Harvard Medical School as a candidate in the Health and Wellness program. He was trained on the evidence-based practice of helping people adopt and sustain healthy behaviors, such as improving diet, increasing activity, managing stress and sleeping well.

This training, coupled with his research interest in neurotheology, led him to launch **Douk Well Co.**, a transformational approach to patient support that offers preventive measures and treatment.

He also founded **Douk Estates**, a real estate development firm that aims to bring wellness to everyday living. Dr. Douk’s attention to detail and his clinical background have led him to design and transform spaces with health in mind. Whether it is a luxury estate, a wellness hotel, or programming for a retreat experience, Douk Estates continues to be recognized in major publications for its award-winning designs.

Dr. Douk is also the founder of the **Douk Leadership Institute**, which offers certificates in lifestyle coaching as well as social entrepreneurship. The vision is to train, equip, and support future leaders as they build companies that do good in our world and

to prepare the next generation of lifestyle coaches to meet humanity’s growing health demands.

Earlier in his career, Dr. Douk founded **Behavioral Health Works (BHW)**, one of the premier autism treatment providers in the nation. After launching BHW, Dr. Douk co-founded the global nonprofit **Hope Out Loud** with his wife, Ami. The organization promotes well-being around the world through its Freedom, Clean Water, and Community Development initiatives.

In addition to his extensive clinical education, Dr. Douk received real-world business training from UCLA Anderson School of Management in its Entrepreneurs Program. That experience led him to develop his global business strategy with UCLA Anderson and the National University of Singapore in their Global Executive Dual-MBA program. He was also named a **John Wooden Global Leadership Fellow by UCLA Anderson**, and the Silicon Review honored him among the top thirty entrepreneurs in their thirties. Dr. Douk’s work has been featured in Forbes, Yahoo!, NBC, and Amazon.
